5th June 2018

Dear Year 5 Parents

Re: Taster day at Sackville Secondary School

We have been offered a taster day by Sackville for all Year 5 children. This will be on Monday 11th June, during school hours and Sackville will be providing their own transport, to and from Dormansland Primary School. The children will be leaving shortly after registration and returning to school in time for collection and/or after school clubs. They should attend the day in their school uniform.

As you know, the window of time for applying for secondary schools in the Autumn is a short one and because of this, we highly recommend that the children attend the taster days. Miss Newns will be accompanying the children.

Please could we ask you to return the enclosed slip as soon as possible.

Regards,

Dormansland Primary School

I give my child permission to go to Sackville Secondary School on Monday 11th June for a Year 5 taster day. I understand that return transport is being provided by mini bus by Sackville Secondary School.
