Dear Parents

Just a reminder that we will be holding our first Charity Market this Thursday, between 3.15pm and 4pm. Due to the weather forecast, you will find us in Year 6.

This time children holding stalls will be raising money for the following charities:

Water Aid, CRY, Children In Need, Cleft Lip, Cambodia Tearfund and Pets as Therapy.

Please would you show your support for their efforts by coming along after school with some loose change. There will be games, jumble, toys, loom band creations, lots of things to eat, adult edibles and lavender bags for gifts.

We look forward to seeing you tomorrow afternoon.
