Dear Parents,

This Friday (24th March), Year 6 have been offered an exciting opportunity to visit Lingfield Race Course during one of their ‘race meets.’ The day is being facilitated by the charity ‘Racing to School’ which has been running for over twelve years and who supported over 120,000 young people to engage in their school subjects using the context of horseracing.

The main focus of the day will be on maths and will involve pupils taking part in practical learning activities around the course in the morning before staying to watch one or two races in the afternoon to see the practical application of what they have learned. All activities are facilitated by ex-teachers or racing industry professionals.

The children will leave school at 9.00 and walk down to the race course. The will then spend the day there before returning to school by 3.15. They will need to bring with them a packed lunch and water bottle, all other equipment will be provided.

If you are available to assist in walking the children down to the racecourse or back at the end of the day please complete the form below or contact Mrs Lowe in the school office.

I hope you will agree that this sounds a fantastic opportunity and one that will hopefully really engage the children.

If you have any further questions, please don’t hesitate to get in touch.

Kind Regards,

Mark Cook
Dormansland Primary School
