6th June 2016

Dear Junior Parents,

**COSTUMES FOR ‘THE KEYMASTER’**

This year’s summer production is ‘The Keymaster’, and rehearsals are already well under way. As always, we are asking for your help to make this a real success.

The performance is due to take place on **Wednesday 29th June**, though before this there is still much to do.

Attached are details of the costumes the children will need for the play. We have kept the costumes as simple as possible and ask for your support to gather these, but if you need help with some of the more difficult items, please let me know.

Costumes should be brought to school in a named carrier bag on **Monday 20th June**. These will then stay at school until the actual day of the performance.

Many thanks for your help,

Yours sincerely,

Mrs S. Stokes
Head Teacher
