To the parents of children in Ruby Class

Dear Parents and Carers,

Before Christmas, two challenges were set by the PTA for all classes to bring in various items for the Christmas Fair. One was for a given total number of items to be exceeded and if so, Mrs Stokes would be appearing in school in an outfit specially chosen for her. This challenge was met by the children and we saw a rather interesting Human Christmas Cracker arrive in our classroom one morning near the end of term!

The second challenge saw each class in competition with each other, with the winning class being awarded with a special treat from the PTA. Ruby class supported this challenge fantastically and ended up being the winning class across the school! The treat announced to us before Christmas was a trip to Manic Monsters in Edenbridge for every member of the class!

We have now booked this visit for Wednesday 31st January and will be visiting as a class. What we ask is that you arrange to take your child to the venue for registration at 10am where we will be waiting to greet you. We then have a slot for 1 hour and 45 minutes finishing at 11.45am. You are very welcome to stay, as are any siblings but you will need to pay for any siblings staying. Your child will then need to be dropped back to school after the trip.

We understand that some of you may wish to share lifts, all we ask is that you let us know who your children will be arriving with, and going back to school with.

We look forward to a fun filled visit!

Yours sincerely,

The Reception Team

Please complete and return

My child, ________________________ will be transported to Manic Monsters on Wednesday 31st January by ________________________ and dropped back to school afterwards by ________________________.
