To Parents of Children in Years 5 and 6
Invitation from Oxted School

Dear Parents/Carers

You will shortly be faced with making the very important choice of secondary school for your son or daughter. As part of your consideration of that decision, we would like to invite you to join us at our Open Evening on Thursday 4 October from 6.00pm until 8.30pm, enabling you to experience a flavour of Oxted School and to learn more about what it means to be a part of The Howard Partnership Trust (THPT). There will be plenty of opportunities to ask questions informally to ensure you are fully informed as you decide on this next stage of your child’s education.

THPT is a Multi Academy Trust (MAT) comprising a diverse range of primary and secondary schools across Surrey. All Trust schools remain local schools and retain their own unique features to serve their local communities. However, they are all underpinned with the same guiding principles, namely to ensure that a first-rate education is provided through the provision of consistently high quality teaching, facilitating excellent learning within an inclusive, caring and vibrant environment.

Oxted School enjoys extensive opportunities for collaborative working with its partner schools in THPT and together with our Trust colleagues we would like to share with you the many benefits that this partnership brings for our students, staff and the ongoing development of our school. At our Open Evening, we will highlight how far Oxted has come since joining THPT and share our future planning for school improvement moving forward. For some insights into this work and an opportunity for you to contribute to shaping the future of your local secondary school, please visit our website www.oxtedschool.org and the Future Plans for Oxted School page.

Our Open Evening is also designed to provide parents with a chance to see the real school; its facilities, philosophy and an insight into daily life. We are an exciting and dynamic school and all our staff are dedicated to offering our students the widest range of opportunities and enrichment. It is vital to us that every child enjoys their time at Oxted School and is well prepared for the ever-changing world we live in. We encourage you to speak to our students and staff at this event, who will be on-hand to assist in any way they can.

If you are unable to attend our Open Evening but would like to visit the school, please telephone to make an appointment and we can arrange a tour at an alternative time. Oxted School is a place where young people are offered a wealth of opportunities, can gain impressive academic qualifications and most importantly a place where they will enjoy coming to school.

We look forward to seeing you soon.

Yours sincerely

Mrs N Euridge
Headteacher
