We have been learning about prepositions.

We have been learning about adverbs.

We have been thinking about questions.

We have been sorting the past and present tense.

We have been using subordination in our writing.

We wrote about the Great Fire of London.
In maths, the children have been learning all about fractions: what a fraction is, how to find a fraction and fractions of amounts. The children in Year 2 have also been learning about time, and how to tell the time to five minute intervals. In measures the children have been using rulers and scales to work out word problems and solve measure questions.
In geography we have looked at maps from London in Tudor times and compared them to present day.

**Theme**

**Year 2**

We have been learning about Buddhism in our Religious Education lessons.

In our history lessons we have been learning about the Great Fire of London.

In our Design Technology we looked at the features of Tudor houses and built our own with winding mechanisms attached.

We have used grid references.

In Science we have been learning about habitats and living and non-living things.

In Computing, we have been learning how to use J2E.
