### Key Stage 1
#### Half term Holiday Ideas
Week Commencing 25th May 2020

<table>
<thead>
<tr>
<th>Outside activities</th>
<th>Outside games</th>
<th>Inside Activities</th>
</tr>
</thead>
<tbody>
<tr>
<td>Water the garden and look after your flowers / plants / seeds.</td>
<td>Use chalk to create a hopscotch and practise saying your numbers forwards and backwards. You could change the numbers to count in 2’s, 5’s or 10’s.</td>
<td>Play board games, jigsaws, dominoes or card games like UNO – there is so much benefit from counting on, backwards and matching digits and numbers. You could make your own board game. Play charades.</td>
</tr>
<tr>
<td>Go on a minibeast hunt – how many different minibeasts can you find? Log them into a tally chart or simple graph.</td>
<td>Play What’s the time Mr Wolf? To help you think about time.</td>
<td>Create your own bingo cards and have a bingo tournament.</td>
</tr>
<tr>
<td>Why are bees useful to our gardens? Find out what bees do, draw their lifecycle.</td>
<td>Play bat and ball, frisbee or catch with your family.</td>
<td>Go on a scavenger hunt – find something that is: shiny, hard, soft, smooth, rough, bumpy, metal, wood, spiky, plastic, fabric, stretchy, see-through, bendy – maybe you could make a sculpture using your found objects?</td>
</tr>
<tr>
<td>Where else can you find repeating patterns in nature? Look in fruit, vegetables, in the environment.</td>
<td>Design and make an obstacle course at home or in the garden. How fast can you complete it?</td>
<td>Get building! You could build a Lego model, a tower of playing cards or something else. Hold a Lego or block building contest. How quickly can you build a model out of Lego?</td>
</tr>
<tr>
<td>Design a pattern using a tessellating hexagon shape.</td>
<td>Keep moving and make up a dance routine to your favourite song.</td>
<td>Can you create your own secret code? You could use letters, numbers or pictures. Can you get someone else to try and crack it?</td>
</tr>
<tr>
<td>Start a nature diary. Look out of the window each day and keep note of what you see: birds, flowers, changes in the weather, what else?</td>
<td>Have a family fitness competition: How many star jumps can you do in 1 minute?</td>
<td>Use an old sock to create a puppet. Can you put on a puppet show for someone?</td>
</tr>
<tr>
<td>Create and design a kite, fly it on a walk to a park or woods or in your garden.</td>
<td>How fast can you run 10 x 5m shuttle runs?</td>
<td>Write a play script and design your own masks or costumes. Can you act it out to other people?</td>
</tr>
<tr>
<td>If you have a patio, get some paintbrushes and do some water painting.</td>
<td>Who can long jump the furthest?</td>
<td>Write an acrostic poem about something you can see in your garden eg: flower, sun, birds.</td>
</tr>
<tr>
<td>Cloud watch – What shapes and pictures can you see in the clouds?</td>
<td>Who can stand on one leg for the longest time?</td>
<td>Bake a cake or help your parents make a meal!</td>
</tr>
<tr>
<td></td>
<td></td>
<td>Build a den.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Art and Craft

Make a puppet show using cardboard boxes, tubes etc.

Make your own musical instrument out of boxes, elastic bands.

Paint your portrait and send it to one of your relatives that you haven’t seen for a while.

Create some wrapping paper, use carrots, celery or potatoes to create a repeating pattern.

Make your own dolls house using boxes and paper dolls.

Find a photograph of a person, place or object and sketch it.

Make some wild art. Collect some natural objects, such as leaves and twigs from your garden or park and get creating. You could make a collage picture or model.

Make paper airplanes and see whose plane flies the farthest.

Create a collage, painting or model of a part from your favourite book.

Have some old wax crayons? Ask your adult to help you melt them down and make new ones!

Learn Something New

Learn to juggle.

Perform a magic trick.

Tell a new joke.

Learn to say something in a different language.

Learn how to do origami, the art of paper folding. What can you make?

Can you invent something new? Perhaps a gadget or something to help people? Draw a picture or write a description.

Bake something new. Perhaps you could design your own cookie recipe or pizza topping.

Challenge your family to teach each other something new. It could be their favourite dance move, some words in a different language or a fascinating fact.

Check out the Dad Lab – there are loads of amazing art and science activities for you to try with your adult!

Additional learning resources parents may wish to access:

Check out the website links in the Home Learning Whole School folder in J2E – there are lots of resources for you to access, including,

- BBC Bitesize Daily Learning – daily activities for English, Maths and Topic
- Oak National Academy – another set of daily activities
- SingUp at Home – this singing website has lots of songs on for you do to at home
- Out of the Ark at Home – more songs for you to do at home each week!
- Young Voices at Home – lots of singing and dance sessions from the organisation behind Young Voices, our annual choir event.
- Are you doing Joe Wicks every morning and keeping super fit? He is on at 9am every day!
- Don’t forget, you can also practise your mental maths skills using J2Blast → Times Table Blast and KS1 Sats Blast

J2E Tips

You might have noticed a new icon on your J2E Dashboard – J2Message.

This is a brand new tool that lets you securely send a short message (a bit like a text message!) you would like your teacher or class to see.

It's a good way of letting everyone know what you have been up to.

If your teacher adds a message, you will get a pop up when you login to tell you.

All messages are recorded and can be seen by teachers - please make sure that we remember to use kindness and respect when writing.
