**Writing**

You should have practised all letters and numbers. If there are any that you write the wrong way round then continue to practise those letters and numbers. Let’s now use our cursive writing to write some common exception words.

Practise these words using the cursive formation.

For the next few weeks, we will be concentrating on the story of ‘Grandad’s Island.’
Start by watching the story, read by the author, Benji Davies
https://www.youtube.com/watch?v=K9_KC3s3IRw

Discuss with your adult: Where the story is set? Who are the characters and what happens in the story?

1. Can you write the character names for the people in the story? Remember to use a capital letter for each of their names as they are proper nouns.
2. Work through the power point on prepositions found in the J2e folder. Discuss which words show the position of the worm. You could also play the game that is included or make your own version if you do not have a printer. Next Freeze the image of Grandad’s garden. Then freeze the image of Grandad’s house. Can you describe a

**Reading**

On Fiction Express Cool Like Zelda
read Chapter 4 (lite)
The Match
Complete the chapter quiz.

Answer the reading questions.
https://en.fictionexpress.com/

Read your reading book or a book from your bookshelf.

Choose a special story to read with your grown up.

**Phonics**

Focus on the alternative spellings: air/ear/are/ere

Practise reading and writing words using words like: chair, bear, care, there, fair.

Add them to a simple sentence.

Watch a story about a polar bear, draw pictures of polar bears and label them.
https://www.youtube.com/watch?v=6iHTpuFVV6I
https://www.phonicsplay.co.uk/

Daily practise of Phase 2, 3, 5 phonemes which can also be found on 5a interactive games in phonics play.

**Mathematics**

**Money – Recognising Notes**

Look at the British UK Notes Word Mat found in this week’s J2E folder.
https://www.twinkl.co.uk/resource/t-n-5611-british-uk-coins-and-notes-word-mat

What do you notice about the notes? Can you see any similarities or differences? Look at the colour, number, pictures and size of each note.

Learn more about British notes by watching this video:
https://www.youtube.com/watch?v=5DDl_RlZB0c

Making your own notes or using the British Notes Cutouts found in this week’s J2E folder, play a game with your family. Take it in turns to hide a note in your hand. Ask each other questions about the size, pictures and colour of the note to guess which note they are hiding.
https://www.twinkl.co.in/resource/t-n-1357-new-british-coins-cut-outs-lifesize?sign_in=1

Complete the Notes Recognition Labelling activity in this week’s J2E folder or write labels next to the notes you have made.
https://www.twinkl.co.uk/resource/t-n-6201-money-notes-recognition-activity-sheet
route around the house and garden using preposition words? You could draw a picture of the garden and place the Syd in different locations around the garden and use a preposition to describe where he is in relation to something else.

3. Grandad has lots of old objects in his attic. For example: the gramophone, coat stand and bird cage. Can you list all of the objects in Grandad’s attic? Think of some adjectives to describe his objects.

4. All of these objects are meaningful to Grandad. They represent memories, places he has visited, hobbies and talents. Do you or your family have any objects like this in your home? Choose at least one object to describe in detail and write why it is special to you or your family.

Learning Project

We hope that you have enjoyed learning lots about plants and that you continue to look after your own plants and watch them grow! Let’s continue our journey by learning about the seaside.

Have you ever been to the seaside? Interview your family to find out if they have ever visited the seaside? Where did they go? What did they do?

Use this Historic England website and the Twinkl PowerPoints found in this week’s J2E folder to compare photographs of the seaside over the past 150 years. What is the same? What is different?

https://historicengland.org.uk/whats-new/research/back-issues/i-do-like-to-see-beside-the-seaside/

https://www.twinkl.co.uk/resource/t-t-5652-seaside-holidays-now-and-then-powerpoint
https://www.twinkl.co.uk/resource/t-t-1274-seaside-through-the-ages-display-photos

Play the ‘What can you see at the seaside? Game found in this week’s J2E folder:

https://www.twinkl.co.uk/resource/t-t-2547195-what-can-you-see-seaside-powerpoint-game

Create your own book all about different common objects found at the seaside including: Deckchairs, beach hut, Stick of rock, donkey rides, metal buckets and spades, paddle boats, Punch and Judy shows, beach huts.

Draw or collage pictures, label and describe your chosen objects.

In Art you might like to investigate the spiral patterns formed in shells. Where else can you find the spiral pattern? Look all around you! Practise drawing spirals in your book. There is a sheet on J2e which shows you how you may like to use lines to create patterns by repeating them.
Additional learning resources parents may wish to access: J2E

Classroom Secrets Learning Packs- These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can complete at home.

Twinkl- parents can access these resources using the offer code UKTWINKLHELPS.
