This term we have had some very exciting deliveries. Our first delivery was from Frank Whittle, we have been learning about him in our theme sessions and we learnt all about capital letters, proper nouns and common nouns. We discovered the features of fiction and non-fiction texts and found about his life. From here we made our own biographies about him.

Our second delivery was from The Twits and we learnt the difference between adjectives and nouns and how to use an adjective to describe a noun. We explored 2A and 3A sentence types and even got to design our own Twit character and write a disgusting trick! We planned it, wrote about it and even edited our work!

Willy Wonka also sent us a delivery this term, and we learnt about using the conjunctions and, but and or to join sentences, we also designed our own Golden Tickets with exclamations, statements, commands and questions, BUT we really enjoyed designing our own Wonka character who did something bad!
