'Pick and Mix' Home Learning

This is designed to be a change from our traditional project homework and an opportunity for pupils to be more creative and follow their own interests.

We hope that it will also provide some activities that pupils and parents may enjoy working on together.

Year 5 and 6 children will also be set formal Maths and English homework on a weekly basis as well. We have provided you with 6 different tasks related to the topic being studied. These are varied and cover a range of subjects.

You must complete 3 of these tasks.

You will need to present your work as neatly as possible and the three tasks should be spread out across the time given.

All tasks can be brought in as they are completed throughout the term and shared with the rest of the class.

We look forward to celebrating your creations.

Enjoy your home learning!

Date set: Week beginning: 9th September 2019

All three tasks due in by the 15th of November 2019
**Get Creative!**
Design and draw your dream library.
What would it contain?
Or
Create a book cover for a book that you enjoyed reading.

**Get Investigating!**
Investigate your favourite author.
Present this as a fact file, poster or PowerPoint.

**Get Cooking!**
Create a dish for a fictional character and explain why you chose it.
You can take a photo or bring the recipe into school.

**Get Talking!**
Talk to your parents about what their favourite stories were when they were children.
Why did they enjoy this book so much?
Do they still have copies of this book?
Have you tried to read it?

**Get Writing!**
Write a letter to your favourite (living) author explaining why you enjoy reading their stories.

**Get Building!**
Create a scene from a story of your choice.
For example: the bathroom from George’s Marvellous Medicine.

**Eagles, Kestrels and Nightingales Pick ‘and’ Mix Home Learning**
Once Upon A Time
Autumn 2019

Don’t forget to...
Read at least 3 times a week to an adult.
Play Times Table Rockstars.
Year 5/6 – Weekly English and Maths activities.
