Eastcroft Park Primary School

Health and Safety policy Addendum

This addendum has been added to the Health and Safety policy on 2nd June 2020 in recognition of the specific responsibilities and arrangements that have been put in place to manage the hazards and risks specifically in relation to Covid-19 and supports the general safety responsibilities and arrangements that already exist within the main body of the policy.

Statement of Commitment:-

The Governing Body understand and accept their duties under the Health and Safety at Work Act 1974, and associated legislation to ensure that Eastcroft Park is deemed to be as safe as is reasonably practicable to minimise the risks of exposure to Covid-19.

It is recognised that health and safety responsibilities are integrated into everyday working practices and leadership responsibilities.

A risk assessment specifically related to the risks associated with Covid-19 has been completed.

The existing Health and Safety policy is current and was reviewed and approved on 16th October 2019.

The following arrangements are in place with nominated leads responsible for each aspect and agreed review dates are in place.

All staff within the school community recognise that they are responsible for ensuring their own and their colleagues’ and pupils’ health, safety and wellbeing and that they will comply with requests made to ensure their safety and well-being.

All members of the school community have been informed of the changes to school arrangements to ensure safety and well-being.

This addendum will be reviewed if there are any changes to the recorded arrangements.
Appendix 1

Covid19 Building Cleaning Standard Service (SLA)

The Building Cleaning Service routinely clean the following areas in accordance with the frequencies and standards set out in the ‘Building Cleaning Service Specification’ for schools:

- Classrooms/Teaching bays outside classrooms;
- Entrance halls and foyers;
- Corridors and stairs;
- Cloakrooms;
- Library;
- Other rooms;
- Computer Suite;
- Toilets;
- Staff rooms and offices; and
- Hall/dining room.

All building cleaning activities associated with contact surfaces will be carried out using general purpose type detergents, reusable cloths (colour coded as required e.g. cloakrooms/lavatories/medical rooms), hand sprays, vacuums and specialist floor cleaning equipment e.g. buffers, scrubber dryers.

Staff are required to deliver the service in accordance with agreed risk assessments and safe systems of work and to wear the following clothing/personal protective equipment depending on the tasks that they are carrying out:

- Issued Uniform;
- Safety Shoes/footwear;
- Gloves; and
- Eye Protection;

Suspected Case of Covid 19

The service will continue to be provided as per the ‘Standard Service’ outlined above, with the following exceptions:

Additional cleansing activities may be required in specified area(s), with all surfaces that the suspected case has come into contact with, being cleaned using disposable cloths and suitable detergents. This includes:

- All surfaces and objects which are visibly contaminated with body fluids; and
- All potentially contaminated high-contact areas (including but not limited to):
  - Door handles and door opening buttons
  - Light switches (carefully)
  - Floors in toilets
  - Toilet seats
  - Toilet flush handles
  - Toilet roll holders
  - Toilet door handles.
Addendum to Health & Safety Policy 2020

- Toilet bowls
- Wash hand basin taps
- Hand contact surfaces i.e. hand rails, door handles including undersides
- Wash hand basins
- Liquid soap dispensers
- Wash hand basin tiled splash-backs
- Floors in corridors
- Desks and tables in classrooms
- Computer key boards / monitors
- Telephones
- Photocopier

Once a suspected case has been identified, the area(s) concerned should not be used. The door should remain shut, if possible with windows opened and any air conditioning switched off, until it has been cleaned with detergent and disinfectant. Once this process has been completed, the area can be put back into use immediately.

Staff are required to deliver the service in accordance with agreed risk assessments and safe system of work and wear the routine clothing/personal protective equipment provided:

- Issued Uniform;
- Safety Shoes/footwear;
- Apron;
- Gloves;
- Eye Protection; and

The following key points should be noted:

- Before entering the area, staff must perform hand hygiene then put on a disposable plastic apron and gloves.
- On entering the area to undertake cleaning and disinfection, staff are required to:
  - Keep the door closed with windows open to improve airflow and ventilation whilst using detergent and disinfection products; and
  - Thoroughly clean the area concerned using disposable cloths, paper roll or disposable mop heads to clean and disinfect all horizontal surfaces, sanitary fittings, door handles, floors etc.

- On leaving the area, staff will be required to:
  - Discard detergent or disinfectant solutions safely at the agreed disposal point;
  - Dispose of any waste collected during the cleaning process (including disposable cloths and tissues) in a plastic bin bag, tied when full and place in a second bin bag which should also be tied. It should be put in a suitable and secure place and marked for storage until test results as to whether COVID-19 was present are known;
  - If the individual tests negative, this can be put in the normal waste.
  - Should the individual test positive, you will be instructed what to do with the waste.
  - Disinfect, clean, dry and store re-usable parts of cleaning equipment, such as mop handles; and
  - Perform hand hygiene.

It should also be noted that public areas where a symptomatic individual has passed through and spent minimal time (e.g. corridors) but which are not visibly contaminated with body fluids do not need to be specially cleaned and disinfected. However, if a person becomes ill in a shared space, they should be cleaned as detailed above.
Until it has been determined whether the site has actually been affected by COVID-19, a log of all staff involved in the cleaning operations will be kept and maintained should employees need to be traced at a later date.

**Confirmed Case of Covid 19**

Where there is a confirmed case of Covid-19, Public Health England working with the Infection Prevention Control team will risk assess and provide advice accordingly on the cleaning operation. This would include if additional cleaning is required over and above standard procedures and specific guidance as to what needs cleaning and how.

Using the currently available published guidance it is expected that the method of cleaning, including relevant PPE will be the same as when the Building Cleaning Service responds to a case of Norvirus, however this will be confirmed prior to any cleaning activities being undertaken by building cleaning staff.
GUIDANCE IN RESPECT OF SCHOOL PREMISES OFFICERS – COVID-19

Some of that work in preparing for the wider opening of schools involves the cleaning of school in preparation for the partial reopening and Head Teachers are advised to ensure that any work undertaken by the school Premises Officer in respect of the cleaning of the school is in line with their Job Description. For ease of reference the standardised Job descriptions are included below. It is recognised that schools may have an alternative job evaluated Premises Officer job description therefore in this circumstance Head teachers are advised to refer to this document.

You are advised not to ask other staff employed at school to undertake any cleaning as this is likely to be challenged by Professional Associations/Trade Unions particularly given the specialist nature of cleaning that may be required.

It is advisable to contact your current cleaning provider to arrange for the cleaning of the school so that any risk is minimised and the appropriate PPE is used.
Addendum to Health & Safety Policy 2020
METROPOLITAN BOROUGH OF KNOWSLEY

SCHOOL/SITE(S)  Eastcroft Park Primary School
POST TITLE  PREMIES OFFICER
GRADE  LEVEL 4
RESPONSIBLE TO  Headteacher

MAIN PURPOSE
Support the Headteacher by taking responsibility for the management of the designated multi school (site) premises including the building maintenance, cleanliness, security and maintenance of furnishings, fixtures, plant and heavy equipment. Management of other premises staff including their deployment and performance management. Oversee external contractors working on the designated multi school (site) premises.

MAIN DUTIES

Security and Safety
- Responsible for the completion of the risk assessment of security risks to the designated multi school (site) premises (grounds, premises and contents) including vandalism/arson.
- Arrange for security checks to be undertaken and advise on how security risks can be minimised.
- Maintain premises security such that key holding procedures are observed and that premises remain as secure as is practically possible.
- Respond to and accurately record all call outs, liaising with the security force and police as appropriate and make premises secure after break-ins.
- Manage Fire safety equipment provision and scheduling of fire and emergency evaluation drills.
- Undertake the role of Fire Marshall.
- Responsible for the safe storage of materials covered by the COSHH regulations.
- Ensure stringent health and safety provision and adherence to safe working practice by all staff.

Energy Management
- Manage the prevention of waste and reduce energy consumption throughout the designated multi school (site) premises.
- Ensure lights and other equipment are switched off as appropriate.

Porterage
- Manage and control cleaning materials and equipment including the ordering, storage and distribution to appropriate personnel.
- Undertake porterage of stock, furniture and equipment as required.
- Responsible for the timely and accurate preparation and use of specialist equipment/resources/materials.
Responsible for the management of stock within an agreed budget, cataloguing resources & undertaking audits as required.

**Maintenance**

Manage a preventative planned maintenance programme including routine inspections of the designated buildings, fixtures, fittings, premises and grounds to assess for minor work or repairs to be carried out to maintain safe and satisfactory conditions.

Report all structural, fabric, furnishings, fixtures and equipment defects to the appropriate person.

Undertake minor/simple repairs as required, e.g. minor plumbing, changing light bulbs, redecorating and fixing etc.

Liaise with external contractors and monitor their work ensuring it is carried out punctually and to the required standard.

**Monitor the cleanliness of the designated multi school (site*) premises, liaising with the Cleaning Supervisor on a daily basis. (*Delete as appropriate)**

**Ensure that satisfactory levels of caretaking, cleanliness and hygiene are achieved and maintained inside and outside of the designated multi school (site) premises.**

**Support for the School/Organisation**

Manage Health and Safety risk assessments and dissemination and compliance with health and safety policies and procedures.

Complete all necessary administration, submitting information as required to Senior Management Team to aid decision making.

Be aware of and comply with policies and procedures relating to child protection, health, safety and security, confidentiality and data protection, reporting all concerns to an appropriate person.

Be aware of and support difference to help ensure everyone has equal access to the facilities and feels valued, respecting their social, cultural, linguistic, religious and ethnic background.

Contribute to the organisations ethos, aims and development/improvement plan.

Work as part of a team appreciating and supporting the role of other people in the team.

Attend and participate in meetings as required.

Undertake personal development through training and other learning activities as required.

Recognise own strengths and areas of expertise and use these to advise and support others.

Assist in the induction of other support staff as required.

**Line Management responsibilities**
Addendum to Health & Safety Policy 2020

Manage the premises function including a team of Premises Staff, inclusive of central liaison point and deployment of resources.

Manage and were appropriate authorise all relevant paperwork e.g. timesheets prior to forwarding to appropriate person for processing.

Manage records, information and data producing analysis reports as required.

Ensure effective team communication, holding regular team meetings with managed staff.

Represent managed staff and contribute to the school/department* senior management team. (*Delete as appropriate)

Undertake recruitment, induction, training and development and performance management appraisals of managed staff.

Note In addition to the above other duties at the same responsibility level may be interchanged with/added to this list at any time.

**Personal Attributes**

**Communication & Influence**
Selects the appropriate content and delivery style to communicate ideas, plans and decisions. Ensures communication delivers the right sense of urgency and importance. Speaks and writes in a way that results in effective action. Asks questions to check understanding of the message and understands the importance and benefit of two-way communication.

**Team working**
Builds trust and respect with individuals throughout the organisation, developing collaborative and consultative working relationships across schools/sites*. Communicates openly and interactively, listening carefully to others and valuing their opinion. Openly shares information and own expertise with others to enable them to achieve their goals. (*Delete as appropriate)

**Organisational Awareness**
Keeps up to date with premises developments, analysing and interpreting how these impact on own area of responsibility. Uses this external awareness to see new and different possibilities, thinking laterally to develop creative and innovative ideas and practical solutions to meet the needs of the organisation. Regularly networks inside and outside the organisation to exchange ideas and information.

**Adaptability**
Contributes personally to the change process. Helps others to understand the need and reasons for the change. Effectively implements new ideas and methods to adapt working practices. Helps plan, develop, set up and monitor systems and processes to effect change. Challenges existing practices and conventional thinking.
Use of technology
Is able to use and understands the purpose of information communication technology (ICT) and is able to develop the use of technology within own workplace by utilising a variety of standard software available. Is able to manipulate data and extract information, which is then presented in an appropriate format. Has the ability to share skills and knowledge within the workplace and provides advice and guidance to others.

Professional Values and Practice
Ability to build and maintain successful relationships with people, treat them consistently, with respect and consideration.
Ability to work collaboratively with colleagues and carry out the role effectively, knowing when to seek help and advice.
Ability to improve your own practice through observations, evaluation and discussion with colleagues.

Experience & Knowledge
Demonstrates experience in a relevant discipline i.e. senior caretaking/site keeping in a multi school (site) or similar environment.
Management/supervisory experience.
Demonstrates an understanding of inclusion.
Ability to relate well to children and adults.
Full working knowledge of relevant policies/codes of practice/legislation.
Knowledge of health and safety procedures and precautions.
Knowledge of COSHH regulations.
Awareness of health and hygiene procedures.
Knowledge of moving and handling procedures.
Knowledge of the Code of Safe Working Practice (COSWP) for Caretaking and Premises Staff.

Qualification & Training
Level 2 qualification or equivalent in Maths/numeracy and English/literacy.
Relevant Level 4 qualification or equivalent experience.
Requirement to complete Support Staff Induction programme.
Willingness to undertake appropriate first aid training.
