At Epsom Sure Start Children’s Centre we are inclusive to all and committed to offering support and guidance enabling all children and parents, including those with Special Educational Needs to achieve their full potential.

We pride ourselves in providing appropriate learning opportunities for all adults and children, irrespective of their special needs or disability. We encourage children wherever possible and appropriate to participate in all the activities provided. We have strong partnerships with parents, outside agencies and professionals which helps us to meet children’s specific needs, ensuring early intervention for all children identified as having special educational needs and co-ordinating access to relevant services. We have wheelchair friendly access, a disabled toilet and a range of resources suitable for children of all needs. We will happily discuss any individual, specific needs your child may have and will make reasonable adjustments /adapt our services, resources and environment to meet those needs.
