Sept 2019

Dear Parent/Carer,

This year we are introducing a new Reading Reward system to replace the 'Reading Olympics'. Your child will be bringing home a Reading Passport. In 4+ and Key Stage 1 after reading for 5 minutes per day one section inside the passport can be signed and dated. In Key Stage 2 after reading 25 pages one section can be signed and dated. We would also like a comment in the Reading Record book which needs to be dated. Once the passport is complete your child can trade it at the Swap Shop for an exciting prize and then move on to the next passport. Children can work through from Bronze to Diamond with prizes getting more rewarding each time. If you have any questions please see your child's teacher. Happy reading!

Mrs Green
(Literacy Co-ordinator)
