8th September 2015

Dear Parents

Your child wishes to join netball club on Wednesdays after school, commencing on 16th September from 3.15pm to 4.00pm. Both girls and boys are welcome as High 5 netball teams are a mixture of boys and girls. The club will be open to children in years 5 & 6.

Please complete the form below and return it to school if you wish for them to take part. They will be required to bring appropriate outdoor school PE kit including correct PE footwear. Please note as netball is a winter sport the majority of training sessions will be outside.

If your child usually walks home alone, please arrange to have them met by an adult during the winter months. Should netball be cancelled at the last minute a school text will be sent home. Please can you collect your child promptly.

Yours faithfully

Mrs M Semaine
