Dear Parents

Twycross Zoo

We have planned for the children in Years 3 and 5 to spend the day at Twycross Zoo in Leicestershire, on Friday 11th May. This trip will enhance the science unit of work that the Year 3 children are completing on the eating habits of animals and in Year 5, it will add value to the science unit they are completing about the life cycles of animals. Both groups are to undertake a talk about these particular areas of the curriculum, whilst at the zoo.

Under the terms of the 1988 Education Act, a voluntary contribution of £15.00 is requested to cover the cost of the coach fare and the entrance fee. While it should be stressed that contributions will be entirely voluntary, the trip is likely to take place only if costs are covered.

We intend to leave on Friday 11th May after registration at 9.10a.m. We will arrive at Twycross Zoo at around 10.00a.m. In order to maximise our time there, we have planned to leave the Zoo at 3.00pm, arriving back at school at 4.00p.m, traffic permitting. Parents will need to arrive at school to collect their child at 4.00pm.

Children will need to bring a bag or rucksack to hold, a packed lunch, two drinks preferably two bottles of water (no fizzy pop), Sun-cream, a hat or cap, and a waterproof jacket – in case the forecast is wet. The children can bring up to £5 to buy a small gift / ice-cream.

The children will need to wear their normal summer school uniform as this aids identification of the children.

Please complete and return the slip attached by Friday 4th May 2018.

Yours faithfully
