Dear Parents/Carers

Can I start by thanking you all for the support you have given us during this first week of the School closure. This is a period of unchartered territory for us all as we find new and different ways of working. This is also being done at a time where we know there will be added challenges at home. We very much appreciate all you are doing at home with your children during these difficult times.

As a school, we have set a ten-day work schedule for the children in each year group alongside providing links to specific educational websites e.g. Twinkl, Espresso/Coding and Mathletics. We are also posting other links to useful/free resources that may be of great support and benefit. These can be found by following us @Fairfieldcps. Should anyone require an even wider choice of work to do at home, examples from each of the Symphony Learning Trust schools are available at https://www.symphonylearningtrust.co.uk/covid-19

In order to support learning that is going on at home, and for parents, children and staff to remain in touch during this period of closure, we have created specific class emails (Outlook).

For pupils/parents in the year groups below, please email in any questions/photos/work or general updates to your child’s class teacher. Staff will do their utmost to get back to you within the hours of the working week.

Staff are already planning on providing further work packs linked to your child’s summer term curriculum that can be found on our website. https://www.fairfieldcpschool.co.uk/our-curriculum/

These work packs will be available from Mon 20th April onwards and sent via SchoolPing.

Please keep in touch with your class teacher.

My best wishes to you, your children and wider family members.

Kind regards,
