September 2018

Dear Parents

This year we will be holding our Harvest Assembly on Thursday 4th October. The service will begin at 9.30 am and we will be pleased to welcome any parents of children who have entered the school since last year’s Harvest Assembly. Unfortunately, we are unable to extend this invitation to all parents as our seating space is too limited.

If your child is new to school, please fill in the form below and return it to school as soon as possible to help with our seating arrangements.

Once again, harvest produce will be collected at school and donated to local disabled and senior citizen groups. We would also like to include other local residents who you feel would appreciate produce. If you know of anyone please fill in the form below.

Any gifts of produce that you wish to donate to these worthy causes will be gratefully received. Tins and packet goods may be sent from Monday 1st October onwards, but we would prefer any fresh produce to be brought to school by the children on the morning of the Assembly.

Many thanks for your donations.

Yours sincerely

Head of School

I/We will be coming to the Harvest Assembly and need.............adult seats. (Maximum of 2 seats)

I will have ................pre-school children with me.
