Well done and thank you!

July 2018

Dear Parents,

Yesterday, we received our Key Stage 2 SAT results which concluded the results for this year.

Academic standards have risen significantly over the past three years at Fairfield; last year’s KS2 SATs disappointed us greatly but were a ‘blip’ for the school and measures we have put into place have seen significant benefits for all of our pupils.

Our 2018 results are as follows;

- % of pupils achieving what is known as a ‘Good Level of Development’ in the 4+ - 63% (nearly 20% higher than in 2015)
- % of year 1 pupils passing the Phonics Screening test – 97% (national data is not released as yet but this will be significantly ahead of the national average)
- % of pupils achieving a combined ‘expected’ level in reading, writing and maths in KS1 SATs - 73% (again, national data is not released as yet but this will be above the national average)
- % of pupils achieving a combined ‘expected’ level in reading, writing and maths in KS2 SATs - 65% (early indications are that this is above the national average) Our KS2 SATs data also shows that pupils are progressing well between the end of KS1 and KS2

These super results are due to many factors; the fantastic staff we have, the wonderful pupils we have and of course, your superb support.

I hope you have a fantastic summer (enjoy the game tonight…😊)

 Regards,

Tim Sutcliffe
Executive Head

Mark Tuckwell
Head of School
