Emily’s Day: Friday 17th May – Wear something pink (non-uniform day)

Dear Parents/Carers,

On Friday 17th May, we will be remembering Emily Keable who tragically died from Leukaemia whilst she was a pupil at Fairfield School. Emily’s favourite colour was pink, so we ask that children and staff take part by wearing something pink on this day. Alongside wearing pink, we would also be grateful for any kind donations of bought or baked cakes. Over the last few years, we have had such amazing support from parents and children with our cake sales, so thank you in anticipation of your support! All money raised from donations will go this year to Oadby & Wigston AgeUK to support the refurbishment of their day care centre in Wigston. This is a local charity that supports many elderly people within our community.

The cakes will go on sale after school in the hall or outside on the infant playground (if the weather permits) on Friday 17th May 3.15p.m – 4p.m. Your support in buying a few of the goodies via a small donation would be fantastic!

In anticipation, thank you for your support!!

Kind Regards

Mr M Tuckwell (Head of School)
