Dear Parents/ Carers of Year 6,

Leicestershire County Cricket Club have been in touch to offer us the opportunity to visit Fischer County Ground, Grace Road (the home of Leicestershire County Cricket Club). This will take place on Thursday, 25th May and will be a great reward for all the hard work children have put in (and continue to put in!) this year.

Year 6 will spend a day with members of the cricket club doing a variety of curriculum based activities in the morning, followed by a tour of the ground and some cricket coaching and activities in the afternoon.

The day will run from 9.30am – 2.30pm. **As we will be walking to the venue, children need to arrive at school at 8.30am.** Children need to provide a **packed lunch and wear sports gear** (making sure they have comfortable shoes as we will be training in the afternoon).

Weather dependent, it would be sensible to send your child with **sun cream/ a hat or rain coat** – weather can be very unpredictable at this time of year but we will walk whatever the weather.

Yours,

Mrs Norman
