Dear Parents / Carers,

Following the Government’s announcement last night, I am writing to try and clarify Symphony Learning School’s current approach.

As you will be aware, it was announced that from June 1st, it is currently planned that Reception, Year 1 and Year 6 pupils will be phased back into education. Pupils who have been in school for the past seven weeks will continue to have their place in school.

At present, the guidance needs further clarification for all and we, as a Trust, need to establish our planning for this phased return. We will work on our approach and once this is established, we will inform all parents and carers.

Until that point, the following will remain in place;

- All pupils who have been offered a place in school for the past seven weeks still have that place.
- The list of ‘key workers’ has not changed and we will follow Department of Education (DfE) guidance on this, so no additional pupils will be given a school place unless they are employed in one of these Key Worker positions (the original list of Key Workers can be found here).

As you can appreciate, advice from the DfE will be emerging throughout this week and we will endeavor to provide our Trust-approach to our phased return to all parents and carers as soon as we can.

The safety of your child and our staff remains our main priority.

As always, thank you for your continued support and please stay safe.

Yours sincerely,

Tim Sutcliffe
CEO
