08/06/2018

Dear Parents/Carers,

**Sports Day 2018 at Fairfield**

*Tuesday 19th June*

Our Sports day this year will take place on **Tuesday 19th June**. The Infant sports event will commence at 9.30a.m and will last for approx 1 hour and 15 mins. The Junior sports event will follow in the afternoon starting at around 1.30p.m and lasting for approx 1 hr and 20-30 mins.

Can I remind all parents to ensure the children have appropriate P.E kit/footwear in school on this day, a filled water bottle, sun cream and a cap/hat. It is important the children are protected from the sun and the early forecast looks good. We do organise drink stations for the children during the events but the children will be permitted to take their named water bottles outside with them, if they so wish.

Your support at both events on this day will be very much appreciated, it’s always great to hear the cheer and see the support of the parents/grandparents. The PTA ‘Friends of Fairfield’ have also kindly offered to sell refreshments to parents before the events commence and after the children have gone in to change.

If the weather forecast changes and we experience some inclement weather then from a health and safety point of view, the Sports Day will be postponed and will take place on a back up date of Friday 22nd June. We will only send a text to parents and put a notification onto our app if we need to postpone the Sports Day.

Thank you and in anticipation of your support,
Mark Tuckwell (Head of School)
