Dear Parents/Carers

This year Fairfield Community Primary School is really excited to be raising money for Red Nose Day 2019! On Friday 15th March the nation will be joining together to help raise money for this worthy cause and we are proud to be a part of it.

On Friday 15th March we’d like all children to come dressed in something red &/or a red nose day item commercially produced e.g. a red nose day t-shirt. Of course if children would also like to wear a red nose that is fine, but please write your child’s initials on it for identification purposes!! On the afternoon we will be giving children the opportunity to splat a teacher. A few teachers have given consent to be ‘soaked’ in the stocks and at £1 a throw, it surely is an opportunity not to be missed! Children will also be learning the ‘Put a nose on it’ song to perform in our Red nose day/celebration assembly.

We really appreciate your support and hope that you’ll have fun helping our school raise lots of money for this incredible cause.

Yours faithfully,
