Dear Parent/Carer,

Today your child had their Zoom call with their new class teacher and TAs. Hopefully, they enjoyed the conversation and are looking forward to September!

We would like to encourage them to read regularly over the summer holidays and would ask that all children bring in a book or article from a newspaper or magazine in September which they have read and enjoyed and would like to share with the class.

For your child’s summer homework, we would like all Y6 children to complete the following task:

The pupils need to complete one piece of writing for a class display about their summer holidays. This can be either:

- A newspaper report (either real or fictional e.g. “10 year old finally tidies bedroom after 4 months of lockdown”)
- A diary entry about something interesting or unusual that happened over the summer (this could be fictional as long as it is entertaining!)
- An advert for somewhere they have visited or wish they could have visited
- A letter to a friend about a place they have visited persuading them to go
- A story based around an event that happened or a place visited over the summer holidays.

As the work will be displayed in their new classroom, it is essential that children take particular care with presentation and spelling. They can use a computer to produce their work or use their very best neat joined handwriting. Images or pictures can be used to add to their work.

Please bring in all summer homework back by Friday 4th September.

We hope you have a fun, happy and safe holiday and look forward to seeing the new Y6 children in September.

Kind regards,

The Year 6 Team

Miss Morales- Room 1
Miss Johnson- Room 2
Mrs Tisshaw/Mrs Slyfield- Room 3
