Arriving at school

• When you arrive at school you will queue with your adult at the black gate.
• When it is your turn to go through the gate you will go to the door where you go into school.
When you arrive

- You will come into school through this door.
When you go inside you need to hang your coat on the same peg each day.

Then you need to go to the bathroom and wash your hands.

You will all use the same toilets – the 'girls' toilets, which are now unisex, this means boys and girls can use them.

You will only be allowed to go into the bathroom one at a time.
Hand washing

• You will need to wash your hands often.
• Use soap and water and wash for at least 20 seconds.
Learning

• Some of the day you will be inside.
• You will have your own desk.
• On your desk will be pencils/whiteboards/pens and crayons. These will be for you to use, you do not need to share them.
• Your teacher will give you anything else you might need.
• You need to stay in your seat as much as possible when in the classroom.
• It is important that we do not get too close to each other.
LEARNING

You will do a lot of your learning outside. You will use the right side of the playground.
Lunch

• Lunch is in the hall – but there won't be many of you, so make sure you spread out.
• Sit on a seat without a cross.
Lunch time

• You will need to keep your distance in the playground.
• You will not be able to play on the equipment.
• You will not be able to play football.
• We will teach you games that you will be able to play.
Home time

- When you are collected you will go out the same door you came in.
- Don't forget your coat/water bottle/bag/lunch box.
Reminders

- Wash your hands often – use soap and water for 20 seconds.
- When you cough or sneeze – catch it, bin it, kill it!
- Try not to touch your mouth, eyes and nose.
- Try not to get too close to anyone else.
- You will not need to wear school uniform.
- If you are not sure – ask. This is new for all of us.
- Remember everything we do is to keep us as safe as possible.
