Thank you for all your support at our community harvest festival last Friday. It was lovely to see so many familiar faces from school and the local community.

Thank you to Mrs Bushell for coming into school and working with the children to create a lovely harvest “supper”. The children really enjoyed their cooking experience.

We are so pleased to support the Rainbow Centre in Scarborough with your donations of food and it is always a pleasure to welcome Trish Kinsella to receive them.

HALF-TERM ACTIVITIES

The Yorkshire Building Society in Scarborough are planning half-term activities on the following dates:

Monday 28th October at 2pm until 3pm
Tuesday 29th October at 10am until 11am
Wednesday 30th October at 2pm until 3pm

They are looking forward to engage with families with primary school aged children during half-term with an interactive “money minds” financial education event. Families can call into the branch at 89/90 Westborough so children can learn some important financial skills and take part in fun activities learning about savings, keeping money safe and earning interest. They can ask any questions they may have to become more comfortable in that environment.
