Year 1 Learning Adventure

**Spring 1 2019-2020**

**KNIGHTS AND CASTLES**

**English**
We will be exploring books based around castles and royalty. We will compare characters we see with those we are familiar with to write in role using first person words. Looking at punctuation, we will begin to use question marks and exclamation marks in simple sentences and questions.

**Science**
- Naming and describing parts of the human body and linking to senses.
- Identifying and comparing a variety of common groups of animals (fish, amphibians, reptiles, birds and mammals).

**Maths**
- Addition and Subtraction to 20.
- Number bonds to and of 20.
- Number Place Value to 50 including comparing numbers.

**Design Technology**
- Researching existing castles with a drawbridge.
- Investigating joining materials and techniques.
- Designing, building and painting, and then evaluating a strong and stable 'junk'/recyclable material castle.
- Using Team—a—Tron Learning Behaviour.

**Science**
- Identifying and comparing a variety of common groups of animals (fish, amphibians, reptiles, birds and mammals).

**History**
- Tamworth Castle Trip
- Exploring knights and castles.
- Labelling a knight.
- Recreating a historical event.
- Creating a historical timeline.
- Naming and describing the parts of a castle.
- Naming, describing and comparing jobs from the past and present.
- Using Reflect—a—sauros Learning Behaviour dinosaur when reflecting on own history knowledge of 'Knights and Castles'.

**Maths**
- Addition and Subtraction to 20.
- Number bonds to and of 20.
- Number Place Value to 50 including comparing numbers.
