Dear parents/carers,

Our current topic in Year 1 is ‘Where to next Bruce?’ As part of our Design and Technology lessons we will designing and then making our own methods of transport. To help us to do this, could you please collect any cardboard boxes, cereal packets, packaging of all sizes, etc. and send these into school before Monday 12th March.

Also, as our topic is looking at and comparing the UK to different places we thought it would be nice to have some visitors into school who could talk about life in different countries. We are aware that we have a number of parents who were born/ or have lived in different countries. If you would be willing to come into school to speak to the children about your experiences or if you know of anybody else that would be able to share their experiences with us, please let us know.

Many thanks

Mrs McNickle Edwards and the Year 1 staff
