World Cup Project!

In honour of the World Cup homework over the next two weeks is to research the country you have chosen. Each member of the class has a different country which will be playing in the World Cup starting today!

Your homework is to find out as much as you can about the country you have been given. You can present the information however you want – posters, leaflets and reports! Be as creative as you like! It can be about the football team or the country in general.

The project must be handed in by Friday 29th June.
