Dear Parents/Carers

On Thursday 11\textsuperscript{th} January we will be launching our exciting new topic ‘Who were the pirates?’ We would like the children to come to school dressed as pirates.

Throughout the day the children will complete a range of exciting activities such as learning who the pirates were, writing a letter, trying to join a pirate ship saying what job they will do on the ship, making jewellery, designing a treasure chest and making pirate accessories for themselves such as hats and eye patches.

Thank you for your support in this matter.
