Dear Parents

NEWSLETTERS ON WEBSITE

We are writing to inform you that we are no longer sending home paper Newsletters. All future Newsletters will be available on our website and we’ll send out a Groupcall message to all parents to notify them when the next Newsletter is available online. There will be a link for you to click on that should take you straight there!

We believe this will benefit the school by:

- Helping the environment
- Enabling parents to access dates and events from their mobiles and at work.
- It will mean more budget can be spent on resources for the children, rather than on lots of paper.
- So, no more Newsletters being lost on the way home ……..!

Happy reading!
