Dear Parents/Carers,

This academic year, the Department for Education (DfE) will be requesting some extra information regarding the children who attend our school. For the school census this year, we will need to provide the following additional information: country of birth, nationality and home languages spoken. Even if English is first language, please state other languages that are spoken at home.

The DfE are keen to celebrate the many languages that are spoken in British schools and to also ensure that any support needed by bi-lingual children is provided effectively. To help us provide accurate information regarding your child, could you please fill out the following slip and return it either to your child’s class teacher or the school office by Tuesday 3rd October 2017.

Thank you for your continued support.

Yours sincerely,

Mrs J Wood
Head Teacher

______________________________ Class: ________________________________

Country of birth: __________________ Nationality: __________________

Home languages (this includes any language that your child either speaks or hears at home other than English): __________________________________________________________

If you have written a language other than English above then could you please provide us with some details about who speaks this language and to whom it is spoken.
