Dear Parents,

I am writing to you regarding the collision which occurred on the corner of Petersfield Road and Stratford Road this morning as school was opening.

One of our children was injured but has been very brave and was cared for by the ambulance services. He has broken his arm but was incredibly brave and even managed a smile or two, while he was waiting for the ambulance. Our thoughts are with him and his family at this time.

We are aware that lots of our children had either seen the accident or had seen the police and the cars involved. Lots of our children were talking about the accident as they came in to school. A member of our Senior Leadership Team has therefore spoken to all the children in their classes. They have reassured the children that the child has a poorly arm and is being cared for in hospital and they have talked about road safety in general.

This incident highlights the need for everybody to exercise extreme caution during school drop off and collection time, as the roads become very congested and unfortunately, some motorists do not take proper care.

You may wish to talk with your child about what they have seen or heard about the accident.

Thank you for your co-operation.

Yours sincerely,

Mrs J Wood
Headteacher
