Dear Parents,

Since returning to school in September and with the good weather we are currently enjoying, some parents have been arriving at school a bit earlier and we have noticed that some of their children have been playing in the climbing area and the play area next door.

The climbing area is kept locked, but children have been spotted climbing over the fence to get in and have also been climbing nearly to the top of the play equipment next door.

When we let the children play on the equipment during school time, they are always supervised by our staff. School cannot take responsibility for your child’s safety after school, and we are kindly asking parents if they could ensure their child does not play in these areas.

Thank you for your patience.

Mrs Wood
Headteacher
Dear Parents,

Since returning to school in September and with the good weather we are currently enjoying, some parents have been arriving at school a bit earlier and we have noticed that some of their children have been playing in the climbing area and the play area next door.

The climbing area is kept locked, but children have been spotted climbing over the fence to get in and have also been climbing nearly to the top of the play equipment next door.

When we let the children play on the equipment during school time, they are always supervised by our staff. School cannot take responsibility for your child’s safety after school, and we are kindly asking parents if they could ensure their child does not play in these areas.
