Dear Parents,

Below are some additional spellings that the children would benefit from learning. We will not be testing the children on these spellings but we will see the results of them learning these words in their books!

triangle  square  circle  pentagon  hexagon
heptagon  octagon  nonagon  decagon  symmetry

symmetrical  cube  cuboid  sphere  cone  pyramid

Also the children need to be able to spell ALL numbers from one – one hundred.

As always we really thank you for your continued support!

The Year Two Team
