Dear Parents/Carers,

The Reception children have completed their first week in school. They have settled in extremely well and we have all been very proud of their smiling faces and eagerness to come every day! Thank you for all your support during this week. We are looking forward to a fabulous year of learning ahead of us.

Now that the children are full time we will be using our outdoor learning environment every day to enhance the children’s learning experiences. During the summer break staff spent time reorganising and rearranging the outdoor learning resources and we wish to develop this area even further during the academic year. To enable us to do this and provide the best learning opportunities for your children we need to ensure that these resources are well maintained and in the correct place for easy access during the school day. We would appreciate, therefore, that during drop off and pick times all children, including siblings, stay on the grassed area and refrain from playing with the resources on the paved area under the shelter.

Class teachers will now open the Reception doors at 8.40am for the children to come straight in to their classrooms in the morning. This will mean the children are outside for a shorter period of time and help you stop them “reorganising” the learning resources! Teachers will stay on the doors for five minutes to enable you to pass on any messages.

We would like to thank you in advance for your support with this matter.

Yours sincerely,

Mrs J Wood
Headteacher

Mrs K Tilbury
Early Years Leader
