Dear Parents/Carers,

Re: Before and After School Club

As you are aware the school is preparing to re-open to specific groups of children in the coming weeks. However, we have been advised from the Department of Education that we can only re-open the Before and After School Club if we can ensure that the staff and running the club and the children aren’t mixing with other staff and children. As our club is run by staff employed in other roles within the school, we shall be unable to open the Before and After School club this term.

As soon as we get guidance as to when we can safely re-open the Before and After School Club, we will endeavour to do so as quickly as we can. We will keep you informed as and when we have more information.

Yours sincerely,

Mrs J Wood
Headteacher
