Dear Parents and Carers

Care For Your Bear Day - Thursday 5th October 2017

Our value for October is “Caring” and we would like to invite all our children to bring in a teddy bear from home on Thursday to care for and nurture for the day.

We will be holding various bear themed activities throughout the day and will start by discussing ‘Bearhaviour’ and how we care for each other to ensure everyone, including the bears, has a fun and successful day.

A few of the activities for the day include reading to our bears, writing about our bears or other stories involving bears, maths using our bears and musical bears. We might even have time for a teddy bear’s picnic!

Thank you for your support.

Mrs J Wood
Headteacher
