Home Learning

Your teachers set lots of different learning activities that you can do at home. They are under the weekly homework and also on the ‘Things you can do at home’ sheet.

Please choose freely from the given activities and do as little or as much as you would like. We also encourage the children to think of activities they would like to do – surprise us! Most of all have fun learning together.

Remember reading at home and listening to stories is really, really important and part of your home learning.

If you not have access to a printer please do let your class teacher know and they will be more than happy to provide you with a paper copy of any homework.
