Dear Parents/Carers,

On Thursday 14th December 2017, we will be holding an Indian Bazaar in the hall as part of our learning adventure. The children will be transported to an Indian market and will be given some “rupees” to buy traditional Indian items.

We are asking all children to dress up in traditional Indian clothing. They can come to school in this clothing and can wear it all day. Children can also wear home clothes. There is no need to buy a special outfit.

We are also asking if any parents have any spare fabrics/materials, Indian spices or cooking utensils, could you please give them to your child’s teacher by Wednesday 13th December 2017? Many thanks.

We appreciate your continued support.

Yours sincerely
