Dear Parents/Carers,

On Friday 20th April we will be launching our exciting new topic on Knights and Castles. We would like the children to spend the day dressed up as queens, princesses, kings, princes, knights or dragons. Children do not have to come in full costume, accessories such as a princess hat or shield and sword are fine.

During the day we will complete a range of exciting activities such as; exploring who the knights were, writing a letter to our queen to find out what life is like in her castle, designing food for a banquet, building castles and lots more.

Many thanks

Year 1 Teachers
