We are re-launching “Our Aspirations” with the children on Monday 3rd April and are inviting all children to wear their Aspirations t-shirt on this day. Any parents of Y1 or Y2 children, who wish to purchase a new t-shirt at the cost of £1, should please inform the office by Wednesday 29th March 2017. We will then ensure you receive a t-shirt, an iron on transfer and instructions on ready for Monday 3rd April.

On Aspirations Day we will be discussing with the children what they aspire to do and be in the future.

If you have aspired to achieve something in your life and you would be happy to talk to our children about it, please speak to your child’s class teacher. (E.g. completed a marathon, climbed a mountain, received a sports award or are in an interesting profession).

We look forward to “Our Aspirations” day and please remember to take a look at the school website to see what goes on in school.
