**Potkin and Stubbs**
Lil Potkin lives in bleak Peligan City. Her mum works in City Hall and is rarely at home, so aspiring journalist Lil has all the time she needs to explore the city in her bright yellow raincoat, investigating unsolved stories. One rainy evening Lil meets a sad-looking boy sitting by himself in the bus station who explains that he needs Lil’s help to find out what happened to him after he disappeared from his orphanage a year ago.

So Lil and Nedly - aka Potkin and Stubbs - team up to solve their mystery, and they call in the reluctant help of once-famous detective Abe Mandrel. Except - Mandrel thinks it’s only Lil he’s working with. And Lil realises she is the only person in the whole of Peligan City who can see Nedly. Which can come in handy when trying to solve crime...

**The Haunting of Peligan City: Potkin and Stubbs 2**
Peligan City, late November. Three months have passed since Lil and Nedly - Potkin and Stubbs - solved their first case. And now, at last, something new and unusual turns up: strange things are afoot at the doll hospital. But investigation turns up no more than an odd new owner. More important is the mysterious epidemic of deaths at the notorious Fellgate Prison. And when the Klaxon breaks the news that City Hall is hushing up that ghosts are real and are terrorising the city, mass hysteria reigns in Peligan City.

Will Lil and Nedly get to the bottom of the case before any more trouble happens - and will they be the first to the scoop? Time to get to the library for help . . .
