Aim of the game: To throw as many pairs of socks into the box as you can in 60 seconds

How to play: Get 5 pairs of rolled up socks and a washing up bowl. Put the bowl on the floor then take 4 large strides away from the bowl and put down a marker (we used a plastic cup). When the timer starts, start to throw the socks into the box one at a time, keeping count of how many successfully land in the box. When you’ve thrown all 5, quickly run and collect them up, run back to the marker and keep going until the 60 seconds is up.

How to score: 1 point for every pair of socks that land in the bowl

How to record and submit your results: Count your scores and upload your entry to twitter (along with the video where possible), providing the following information.

- Name: First Name, Last Initial
- School:
- Year Group / Category: Yr X / Teacher / Adult
- Initial Score:

Remember to tag your tweet with #ssnsocksinthebox and @SchoolSportNot1

If you don’t have access to twitter you can still play simply email your results to n.robb@ellisguilford.nottingham.sch.uk
