9th November 2018

Phonics Workshop and reading at school everyday

Dear Parents

1. Read with your child at school everyday
2. Come along to the phonics workshop

The EYFS staffs are impressed with all the children who are reading at home and we are grateful for parent support and efforts. To further progress in reading we would like to invite you into school in the mornings from 8:35 to 8:50 to read with your child every day. This is starting from Monday 12th November; we understand that some parents need to attend work. Your child will still have the opportunity to read to EYFS staff.

We would like to invite you into EYFS classrooms for a phonic workshop. Come and find out about how your child is learning to read and write. This is important information for you to support your child and for your child’s progress in reading and writing. There will be learning activities for you to take part in with your child.

On Friday 16th November 2018, the workshop will begin at the latest 9am and the workshop will last up to one hour.

Yours sincerely,

Miss Patel and the EYFS team
