Christmas Fayre

Only a few weeks until the Heath Mount Christmas Fayre on **Friday 13th December**!

We are currently busy preparing for our Christmas Fayre, with lots of fun in store, including a bouncy castle, a mehndi stall, clothes stall, food stall, games and much much more!

We still have a number of tables available if parents would like to book a table to sell products such as food, or even offer their skills in face painting! The cost of booking a table is £5. This is a **non-refundable** fee. If you would like to book a table, please come to the school office to complete a booking form and pay the £5 fee.

On **Friday 6th December 2019**, Heath Mount School will be holding a special ‘**Bring a Donation**’ non-uniform day. No money is required for your child to attend in their own clothes, instead we are asking for donations to support us with our Christmas Fayre which will take place on **Friday 13th December**. We would like to politely ask if parents could help us out with some items that we could donate towards the Christmas Fayre as prizes for the raffle draw and other games. We are looking for any items, large or small that would be suitable to be put as “star prizes” for the raffle draw and other games for the children. This could be an unused, unopened gift or you may even wish to buy and donate a prize for the Fayre like children’s books or toys.

We are also requesting donations of sweets, chocolates and party toys so that we can prepare for the various raffle and games stalls. Please ensure that any food products donated to the Fayre do not contain any nuts due to allergies as we are proud to be a **nut-free** school. If you wish to donate the items for the Fayre yourself, please leave them in the donations box located in the school office by **Friday 6th December**. If your child is bringing a donation on non-uniform day, they should hand the donation to their class teacher on Friday 6th December.

We appreciate your support and look forwarding to receiving your donations on our special ‘**Bring a Donation**’ non-uniform day!
