9th April 2019

Dear Parents/carers,

**Autism Awareness Month**

April is Autism Awareness Month. We will be raising awareness of autism as well as celebrating everyone’s differences by holding an assembly and a variety of class based activities about autism.

At Heath Mount School, we would like to celebrate the differences in our children by having a non-uniform day on **Friday 12th April**.

All children will be asked to wear blue clothes on **Friday 12th April**, the colour of autism.

Yours sincerely

Mrs D. Fance
Headteacher
