EQUALITIES POLICY 2019

Agreed: Autumn 2019

Review date: Autumn 2021
Introduction

This Single Equality Scheme for schools in Coventry provides a format for addressing the statutory duties of the Equality Act 2010. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school’s statutory duties in these areas.

This document sets out how pupils with the following protected characteristics (previously known as equality strands) will be protected in our school from harassment and discrimination:-
- disability
- gender including gender identity
- race
- religion and belief
- sexual orientation

This scheme extends however to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families).

At Henley Green Primary we are committed to ensuring equality for all pupils, staff and those accessing the school. At Henley Green Primary School we believe that diversity is a strength, which should be respected and celebrated by all those who learn, teach and visit here. We aim to develop a culture of inclusion and diversity where people feel able to participate fully in school life and contribute to the community. This school will not tolerate harassment, discrimination or prejudice driven bullying.

We aim to create a school community that promotes social inclusion, community cohesion and equality; that respects diversity and which challenges and acts upon discrimination and inequality. This school is committed to equality, and will work consistently to ensure that all pupils and staff are encouraged to achieve their full potential; a culture of respect for others is created and difference between people is recognised and celebrated. The school will endeavour to create a community where pupils, and others, are well prepared for life in a diverse society.

Our school aims to ensure that no pupil, staff, parent or carers or any other person receives less favourable treatment on any grounds which cannot be shown to be justified through their contact with our school. This covers race, ethnic or national origin, religion or belief, gender, marital status, responsibility for children or other dependants, disability, sexual orientation, gender identity, age, trade union or political activities, or social class.
Aims of the Equality Scheme

- To introduce and put into practice the Equality Act 2010 that combines and builds upon the existing legislation covering discrimination and promotion of equality of opportunity.
- To articulate the school’s commitment to equality which permeates all school policies and practices
- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To achieve the highest standards of teaching and learning for all children irrespective of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other protected characteristic
- To comply with statutory duties under equalities legislation in one document

Purpose of the Equality Scheme

This equality scheme is the school’s response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010. It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity.

This Equality Scheme sets out how the school will:

- eliminate discrimination
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular groups of pupils.
