A warm welcome
Welcome to the fifth Hodge Hill Primary School newsletter of 2019 although as this is being written, it doesn’t feel very summery with all of the recent rain but summer is here and that always means a very busy end to our school year. Overleaf are some key dates when important events will be happening. Well done to all of our children in Years 1, 2 and 6 who are all completing their statutory assessments. Everyone has worked very hard and we have our fingers and toes crossed now that the results will show all of this hard work.

Staying safe online
We’re pleased that our Parent workshops on supporting our children in keeping safe online have been held. Thank you to everyone who attended. We shall be continuing our work on how to keep children safe as we teach the whole curriculum. If, however, Parents feel they need any additional support please contact Miss Evans or your child’s Year Group Leader

Who to contact?
We understand that for some time it may have been difficult for Parents and Carers to keep up with the comings and goings of staff. The school has just completed a staffing restructure which was planned for in September 2018. As a result, there will be some changes to staffing in September 2019 as well as some staff joining us on permanent contracts. If you have a query or a concern we would advise that you speak with your child’s class teacher first. It might not always be possible to speak to the teacher at the start or end of the school day but teachers are aware that once a request is made, a mutually convenient time must be agreed when your query or concern can be addressed. Following this discussion if your query or concern remains we advise that you contact the Year Group Leader who again will arrange a mutually convenient time to meet with you. If your query or concern remains, we advise you to contact the relevant Assistant Head Teacher. If, following these discussions the query or concern remains then we advise you to arrange to meet with either the Deputy or Headteacher. If you think the query is relating to safeguarding we advise that you come straight to Miss Evans, our Safeguarding Manager, or to the Headteacher or Deputy Headteacher.

Parent Views

We have been working with our children and staff to revisit the school’s aims, vision and virtues. Moving forward how do we want our school to be? What virtues do we want every child to be taught as they move from year to year but they take with them as they move from Year 6 to Year 7. The children have been very clear about what they think, staff have had the opportunity to share their thoughts and Create Partnership Trust are very clear in their thoughts but a key voice that is currently missing is that of our Parents and Carers. It is important moving forward, and as the school becomes more established, that the views and thoughts of our parental community are heard. Our school serves our community and our children. We would like to invite our Parents and Carers to take part in a workshop in which you will be asked to complete the same task our children and staff have completed. The workshop will take no longer than 30 minutes to complete and will be led by Mrs Povall and Mr C Rose. There will be two sessions: Friday 21st June at 9am-9.30am and Wednesday 26th June at 2.30pm-3pm. It will be held in the community hall (where polling took place in May). We look forward to seeing you.

Dates for your diary

1st-5th July Teachers from Italy visiting
2nd July Years 3 + 4 Sports day: Parents invited to the morning athletics
3rd July Transition Day – Year 6 to visit secondary school, Years 1-5 to spend day with next year’s teachers
